The Hydrating Facial \$125

A treatment for dry and dehydrated skin. Perfect for high altitude visitors and residents. It will reinforce the hydration of the skin which can be diminished by dehydration, sun, wind and altitude. Includes facial steaming and massage, hydrating mask and neck and shoulder massage. 60 minutes

The Oxygen Facial \$135

Delivering pure oxygen, water and vitamins deep into the skin cells, this facial allows your skin to function more effectively. This treatment will supply the skin with instant hydration. This treatment stimulates the skin and blood circulation. Your skin will look vibrant. Includes steaming, facial, neck and shoulder massage. 60 minutes

The Glycolic Facial \$135

Think of peeling an onion. The outer layers are dry and brittle, but as you peel toward the center the layers becomes softer and are filled with moisture. Our glycolic facials work the same way; safely exfoliating the outer layers of the skin, revealing the softer, hydrated skin beneath. This facial improves skin texture and restores the skin's youthful glow. 60 minutes

Microdermabrasion

Super fine crystals are blown across the skin sloughing off dead damaged skin cells. This facial rejuvenates and helps maintain healthy, radiant skin. Micro-dermabrasion can be done all over ones body. This treatment is best designed for a series of six sessions and can also be combined with any of our facials ask for pricing.
